

[Appendix A7]

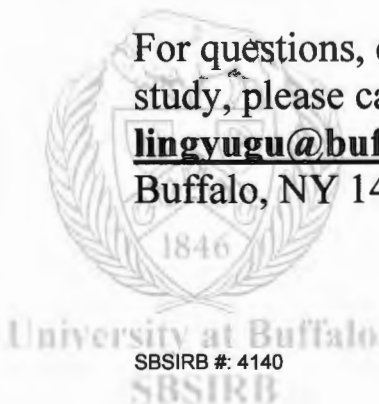

Child Language Study

Your child is invited to participate in a research study that looks at children's use of verbs in sentences, if

- 1) he/she is at the ages between **2 years, 6 months** and **5 years, 11 months**, AND
- 2) primarily speaks English at home.

The study involves three to six visits of approximately one hour each to the Department of Communicative Disorders and Sciences on the South Campus of University at Buffalo. You will receive 15 dollars for each visit and a copy of evaluation report.

For questions, concerns, or complaints that you may have about this study, please call Dr. Ling-Yu "Hugo" Guo at **716-829-5553**, email **lingyugu@buffalo.edu**, or visit 118 Cary Hall, University at Buffalo, Buffalo, NY 14214
